Notes:

1. QACP reserves the right to modify the financial aid policy and the amount of financial aid provided at any time.
2. Refund Policy: For internal families registering in March, internal scholarships will be processed the same night as registration lottery. You will be contacted before checks are deposited and they will be returned to you before official class list is set. For external/late registering families, registration and other fees will be refunded if you did not receive 75% of the scholarship listed under the income guidelines.
3. Please review the income matrix, located in the scholarship guidelines. Applicants must be in good standing, as outlined in Section XI (A) of the handbook.
4. Scholarship assistance excludes registration and other fees or charges. These must be paid in full by stated due date
5. If additional financial aid is needed above what QACP can provide, members may also apply to the Parent Advisory Council (PAC) for financial aid up to 50% of tuition. The size of the PAC financial aid fluctuates and depends upon the financial aid need at the 6 member preschools. The application form is available from the QACP PAC representative(s) or the QACP treasurer. The completed application should be returned to the treasurer, who will complete his or her portion and submit it to the PAC representative, who in turn will present it at the PAC meeting.
